Welcome to ReConnectPA
Help us define the projects in your own backyard that can make a big difference in your community. Specifically, we are looking for issues that will improve safety on the roads and bridges on which you and your family routinely travel and will make your commute more convenient. To start, type in the location of the issue you want to identify. Your voice will be heard!

ReConnectPA Our pals at the Pa. Highway Information Association have posted links to a four-part series on Interstate 81 published last week as a joint project by three newspapers. Kudos to the Chambersburg Public Opinion, Carlisle Sentinel and Lebanon Daily News for a job well done.
